PROFESSIONAL SUMMARY

Results-driven Frontend and Web Developer (MCA 2027) with a strong academic foundation in computer science and hands-on experience building responsive, data-driven web applications. Proficient in frontend technologies including React.js, JavaScript (ES6+), Tailwind CSS, and backend architectures like Laravel (PHP) and MySQL. Proven record of optimizing database schemas, ensuring data integrity, and implementing dynamic user interfaces. Adept at technical problem-solving and collaboration within Agile workflows to deliver clean, user-centric software solutions.

TECHNICAL SKILLS

- **Web Development:** React.js, JavaScript (ES6+), HTML5, CSS3, Laravel (PHP), Tailwind CSS, Bootstrap, ASP.NET
- **Database Management:** MySQL, Relational Database Design, SQL Scripting, DBMS Concepts
- **Programming Languages:** PHP, JavaScript, VB.NET, C, C++
- **Tools & Frameworks:** Git, GitHub, VS Code, Postman, UI/UX Design Principles

KEY PROJECTS

Full-Stack Web Application

Technologies Used: PHP, Laravel, MySQL, JavaScript, Bootstrap

- Engineered a secure and scalable MVC architecture framework using Laravel to streamline server-side workflows and route configurations.
- Implemented complex relational database schemas in MySQL, writing optimized SQL scripts to safeguard transaction data integrity.
- Designed mobile-first, responsive user views using custom JavaScript components and dynamic client-side form validation rules.

Clinic Management System

Technologies Used: VB.NET, MySQL, Relational Database Design, UI/UX

- Developed a comprehensive healthcare desktop application to digitize patient records, automate billing processes, and manage appointments.
- Authored efficient database connectivity modules to bind user interface components directly to MySQL database endpoints.

- Conducted structural requirement analysis to translate standard healthcare operational needs into clean interface dashboards.

EDUCATION

Master of Computer Applications (MCA) CVM University — Vallabh Vidyanagar, Anand, India

- *First Year Completed with CGPA: 8.32*
- *Expected Graduation: May 2027*

Bachelor of Computer Applications (BCA) Sardar Patel University — Vallabh Vidyanagar, Anand, India

- *Graduated with CGPA: 7.26 (First Class with Distinction)*
- *Graduation Date: March 2024*
